Hi,
I strongly oppose SB 650, HB 6848 and HB 6962. I feel they are in conflict with the Second Amendment of the US Constitution and therefore cannot become law. Not only that but a law like this could be easily abused and used against someone for personal reasons.

Bills like these are causing all of my friends and their families, including my own family to leave the state. Soon I will have to follow.

Best regards,
